

Supplier ESG Compliance Policy

Scope

This Supplier ESG Compliance Policy is intended for Westports Holdings Berhad ("Westports" or "the Company") and all subsidiary companies within the Westports Group ("the Group").

The Policy applies to all suppliers, contractors and other third parties engaged with Westports. It encompasses a wide range of sustainability objectives to ensure alignment with our commitment to responsible business practices.

Policy Statement

Westports strongly emphasises aligning suppliers with its ESG (Environmental, Social and Governance) goals and requirements. We firmly believe in collective efforts towards sustainability and value creation, with the shared vision of making a significant positive impact.

We expect our suppliers to:

Embrace Our ESG Goals

We have set clear and ambitious ESG goals encompassing environmental responsibility, social welfare and sound governance. Suppliers are encouraged to align their practices with these objectives.

Adhere to Stringent Requirements

Our stringent requirements encompass various facets of sustainability, including community and well-being, health and safety, fair labour practices, ethical conduct and environmental stewardship. We expect suppliers to uphold these standards.

Collaborate for Collective Sustainability

Sustainability is a collective endeavour. We view our suppliers as partners in our sustainability journey. Together, we can make a substantial difference in creating a more sustainable future.

Value Creation

By adhering to our ESG goals, suppliers can contribute to creating shared value, which benefits Westports and also extends to the communities we serve and the broader environment.

Making a Difference

The belief that collective and cooperative teamwork contributes to achieving the company's vision and mission drives Westports. Our suppliers' commitment to sustainability contributes to meaningful change within our operations and the global supply chain.

Monitoring and Compliance

Westports will continue to work closely with its supply chain partners and is committed to establishing a formal monitoring system to assess supplier compliance with its ESG and sustainability objectives. Together, we aim to create a more responsible and sustainable business landscape.

Review and Revision

This Supplier ESG Compliance Policy will undergo periodic reviews to ensure its effectiveness, relevance, and alignment with international standards and local laws. Westports will make the necessary to reflect evolving best practices and regulations.

The Board of Directors approved this policy on 2 February 2024.
